Welcome

A Message from Mrs Chivers...

In starting school this September, our number one priority is ensuring that the children build strong connections with their new teaching team, so that they feel **safe** and **happy** in their new **learning** environments.

Our aim for all children is to grow their potential to enable them to achieve high personal performance through knowledge-rich curriculum experiences throughout the coming year. The curriculum is supported by our strong ethos of wellbeing and care; our school values; promotion of mental wealth and having high expectations for all our children to succeed.

Please do email leaders@oreston.com should you wish to get in touch.

We look forward to working positively in partnership to achieve the very best for your child.

WESTCOUNTRY
SCHOOLS TRUST

In September, we are introducing our **Learning Planners**, which every child will receive. The intention is to promote the high value we put on home/school links and continuing school learning at home.

Home learning must be recorded in them each week and planners then shared with the class teacher.

These are to be valued and looked after by children. Replacements will need to be purchased should your child lose or damage them.
