

## Data Summary 2022 – Unvalidated Data

Our school results are shown below for the academic year 2021-2022. The last set of national figures are from 2019, prior to covid and national lockdowns, and we have shown these for comparative purposes. There are indicative national figures for 2022; these are subject to change as they are not yet validated. We will update the figures when these are confirmed in the autumn term.

| EYFS  |                   |          |                         |                                     |
